STANLEY®

MOVING SOLUTIONS FOR HOME, BUSINESS, AND INDUSTRY

Designed for the challenges of real working environments, every STANLEY® material handling truck combines user friendly features with rugged build quality for safe, easy and secure moving.

When you choose a STANLEY® material handling truck, you can be sure of reliable performance, day after day, year after year. That's why every model is built to last with a 5 Year Warranty* as standard.

STANLEY® material handling trucks are designed from the ground upwards; choose from different chassis types, handle configurations including knuckle protection and a range of wheel options to provide you with the ideal STANLEY® material handling truck for the job.

THE STORY BEHIND FOLDING HAND TRUCKS

Our latest STANLEY® folding hand trucks combine the best of both worlds. Strong steel tubing ensures durability and load capacity. The rugged black load plate is cast from aluminum to keep the weight down. Solid TPR wheels run smoothly, quietly, and cannot spring a leak. Best of all, every hand truck folds down to easily fit in the trunk of any car.
